WM. E. PELL, PROPRIETOR.

RESOLUTIONS OF THE SEYMOUR AND BLAIR CLUB AT HARLOWE'S CREEK.

WHEREAS, It has been officially declared to be the policy of the Radical party, now in power in this State, to give no places of trust or profit to any except those who favor its views and work in its interest, we, the members of Democratic Club No. 3, Harlowe's Creek, maintaining that "self-preservation is the first law of nature," do adopt, and ask in them the earnest co-operation of our brethren of other clubs, the following resolutions:

Resolved, That while we cherish no ill-will towards the colored races, and stand ready to do all that we can, to promote their moral, social and political welfare, we see with regret that they are used by a corrupt, unscrupulous party, as *mere tools* to secure its own ascendancy, and our overthrow.

Resolved, That we recognize the *grinding taxation*, as the legitimate result of Radical rule, oppression, and plunder, and feel no longer warranted in the suicidal course of employing and supporting a class of laborers, who have no concern for us, but vote with a party whose untold expenditures have beggared both them and us.

Resolved, That as the owners of the soil, we have a perfect right to make such contracts, and employ such labor, irrespective of color, as we deem compatible with our wants, and best suited to secure our general interests.

Resolved, That while we pledge ourselves to fulfill in letter and spirit every contract we have already made, we mutually agree that, at their expiration, we will "lend our hand and promise our support" only to those who, while tilling our land for a just compensation, will not jeopardize our interests by their political predjudices.

Resolved, That if we could consistently, we would prefer the employment of the colored men in our midst; but it driven so to do, we will associate ourselves together for the introduction of foreign laborers.

Resolved, That our Corresponding Secretary be instructed to communicate with Immigrating Societies, especially that at Lynchburg, Va., and report to the Club, their rates, terms, &c.

Resolved, That a copy of these resolutions be transmitted to each club in the county, and forwarded to the Newbern *Journal of Commerce* and Raleigh *Sentinel* for publication.

(Adopted Saturday, Aug., 29th, 1868.)

From the Nashville Republican Banner.

THE COLORED PEOPLE OF TENNESSEE.

It is but simple justice to the colored population of the State to acknowledge a good behavior, pacific disposition, and respectful reverence for law on the part of that class of the community at large, which, it will be confessed, has been extraordinary, under the peculiar circumstances surrounding them during and since the war.

To this general good behavior there have been some exceptions, it is true, and many characterless and lawless black men, as there have been characterless and lawless white men, have committed breaches against the peace of society which called for the severest penalties, and which, in certain instances, have met with summary and condign correction. But the colored people are not all to be condemned as a class alike because a few of the vile, more ignorant, and degraded of that class have, by their offences, drawn upon themselves retributive justice, meted out to them by outraged communities.

That the behavior of the late colored slave population during the war, upon the issue of which depended their emancipation from bondage, was extraordinary and unexampled, all fair men will readily admit. There are a great many good people amongst them, a great many decent Christians, a great many who are intelligent and law-abiding, and a very large proportion who are kindly disposed, humane, industrious, and respectable. Against this harmless class no true gentleman or lady of the South entertains any degree of hostility.—The prejudices supposed to exist in the minds of native whites are wilfully exaggerated. Of course, it is not in the nature of our Anglo Saxon blood, nor would it be in that of any civilized Caucasian country upon the earth, to recognize the heresy of mischief-making political adventurers from New England, that there is perfect, or must be perfect, social equality between the white and black races; but there is not, nevertheless, a disposition on the part of the native whites to deprive the native blacks of their just rights under existing laws. No colored man or woman, with an ounce of brains, is such an idiot as to believe there exists in the hearts of their late masters a secret wish to reenslave them. It is not to the interests of the whites to reenslave them. It is by no means to the interests of the State of Tennessee. We are not so certain but that if the war had never been brought about, slavery would gradually have disappeared from the border States, for the reason that it was never really to the interest of either of them to preserve that institution. As to the manner and means by which their emancipation was brought about in Tennessee, we do not propose now to speak. That it was right to deprive the citizens of this State *en masse* of so much property inherited or purchased under the laws of the National Government, we shall never admit. It is enough for us to recognize the fact that those who were once slaves, not by their own instrumentality nor by ours, are now free. We neither rejoice at nor deplore the result. But there is no white citizen of Tennessee who desires to reenslave the colored race, or who would be benefitted thereby; of that they may be assured.

Justice to the colored man also requires that we express the opinion we have long entertained, since observing his attitude toward the white natives, that if the colored man was assured, beyond the possibility of a mistake, that the white natives *do not* desire his reenslavement, *do not* wish to deprive him of his just rights, and *do not* cherish a hostility towards him, as Radical mischief makers have too successfully sought to make him believe; if they could be assured of that, we say, we do not believe the colored people of Tennessee would hesitate to demand of the Radical authorities the enfranchisement of every disfranchised citizen. They know that it is to their interest, as we believe it is their real desire, to cultivate the friendliest feeling between their late masters and themselves. Like the disfranchised whites, they are of the Southern country and Southern born. They are neighbors, and would be always friends, and would have been but for the interference of mean white sneaks of the Radical party, who have poisoned their ears and appealed to their basest passions. We write these words in soberness and truth, and in all earnestness, for the colored man who is able to read, or to have read to him. We write them for his own good and for ours, and for the peace and common prosperity of us all. We would not flatter or deceive him against his reason into the belief that he is the equal or the superior to the Anglo Saxon race, for the weight of his whole race in gold. If he follows the teachings of the Radical leaders, he is ruined past recovery. If he acts for himself, exercises the brains which his Creator has given him, deals justly by the people who have raised him and his father before him, it will be the wisest and best act of his life, and he will never regret it. It is in his power to accomplish a great good or much evil. If he is not an idiot, he will decide to do as he would be done by.

A LITERAL TURN OF MIND.—George Wakeman furnishes an amusing collection of stories illustrating "A Literal Turn of Mind." We quote a few:

"This same literal turn of mind which I have been illustrating is sometimes used intentionally, and perhaps a little maliciously, and thus becomes the property of wits instead of blunderers. Thus we hear of a very polite and impressive gentleman who said to a youth in the streets, 'Boy, may I inquire where Robinson's drug store is?'—'Certainly, sir,' said the boy, very respectfully. 'Well, sir,' said the gentleman, after waiting awhile, 'where is it?' 'I have not the least idea, yer honor,' said the urchin.—There was another boy who was accosted by an ascetic middle-aged lady with, 'Boy, I want to go to Dover street.' 'Well, ma'am,' said the boy, 'why don't you go there, then?' One day, on Lake George, a party of gentlemen strolling among the beautiful islands of the lake, with rather bad luck, espied a little fellow with a red shirt and an old straw hat, dangling a line over the side of a boat. 'Hallon, boy!' said one of them, 'what are you doing?' 'Fishin',' came the answer. 'Well, of course,' said the gentleman, 'but what do you catch?' Here the boy became indignant at so much questioning, and replied, 'Fish, you fool; what do you 'spose?' 'Did any of you ever see an elephant's skin?' inquired a teacher of an infant class. 'I have,' shouted a six-year old from the foot of the class. 'Where?' asked the teacher. 'On the elephant,' said the boy, laughing.

"Sometimes this sort of wit degenerates or rises, as the case may be, into punning, as when Flora pointed pensively to the heavy masses of clouds in the sky, saying: 'I wonder where those clouds are going?' and her brother replied, 'I think they are going to thunder.' Also, as in the following dialogue: 'Hallos, there! how do you sell wood?' 'By the cord.' 'How long has it been cut?' 'Four feet.' 'I mean how long has it been since you cut it?' 'No longer than it is now.' And also, as when Patrick O'Flynn was seen with his collar and bosom sadly begrimmed, and was indignantly asked by his officer, 'Patrick O'Flynn, how long do you wear a shirt?' and replied promptly, 'Twenty-eight inches, sir.'"

COLUMBIAN COLLEGE,

WASHINGTON, D. C.

THE SESSIONS OF THE SEVERAL Departments open as follows:

The PREPARATORY, September 9th; the COLLEGIATE, September 23rd; the THEOLOGICAL, October 7th; the LAW, October 14th; and the MEDICAL, October 19th.

This College was organized with a reference to the oft urged suggestion of WASHINGTON, that a University, at the Federal Metropolis, would tend to the "assimilation of the principles, opinions and manners of our countrymen, by the common education of a portion of its youth from every quarter." Its graduates have verified the expectations of Madison and Monroe, that the facilities of hearing debates in Congress, arguments in the Supreme Court and Lectures from eminent men, and of visiting Libraries and Collections in Science, gathered at this centre, would foster a comprehensive mental development.

The Preparatory School gives a thorough training for business, and preparation for College. The College proper has eight schools. Four degrees; all the Chairs being filled. The Theological school has three Professors and Lecturers; the Law School four, and the Medical ten. The expenses are as low as at other Colleges. Number of students the past year, 434. VEGETABLE PILE OINTMENT.

TO THE PUBLIC.

FOR 25 Years I was sorely afflicted with the Piles. After trying every remedy I could hear of, and failing to receive any benefit, in 1867, I discovered a remedy, purely vegetable, which effected an entire cure, and I have had no return of it.

Anxious to relieve the afflicted and to promote my own benefit, I made public my discovery and had the gratification to know that my remedy cured a large number of persons. My ointment was advertised in the public prints and I met with good success, until the war came on.

By the advice of friends, I have determined again to manufacture the OINTMENT and offer it for sale. Any number of certificates of its value could be obtained if necessary.

Price of Box $1, and postage. (Fifteen cents.) As soon as I can make arrangements, I will put it in the hands of the druggists of the State.

TAXATION—PUBLIC DEBT—EXTRAVAGANCE AND BANKRUPTCY.

The great question, which agitates every honest, thoughtful mind in North Carolina, is, *how* shall we live, what shall we do to live, educate our children, and maintain our personal honor and our State and National credit? When our indebtedness is considered—when we estimate the taxes to be paid, every man reels and staggers under the immense weight of the question, how is this to be done? But when we consider the extravagance, the waste, the greedy plunder and theft carried on, both in the conduct of the National and State administrations, in the midst of our crushing poverty, the answer is, "it is simply impossible."

What are the obligations of the people? What is our indebtedness? Our National debt, as announced by the Secretary of the Treasury recently, approaches $2,700,000,000! It was announced to be about the same, three years ago, though it was then, and has been since, understood, that, beyond this, there were dues and claims, not yet ascertained, to make the National debt over $3,000,000,000!!

During the three years since the war, nearly $1,500,000,000 have been collected out of the people of the United States, yet the public debt has not been lessened; indeed, it is greater now than it was last year. Over $400,000,000 have been collected and expended per year, for the three years since the war, *in a time of peace*! Most of this has been uselessly expended in keeping up a military establishment, the Freedmen's Bureau, &c., for the so-called reconstruction and real degradation of the Southern people, and much has gone to fill the pockets of the thieves and plunderers of the public Treasury. The consequence is, business is prostrated, the poor are ground down by taxation, and gaunt poverty and ruin stare them in the face. North Carolina's portion of the National debt is estimated at $70,000,000. The annual interest on this sum would be $4,200,000, which our people *must pay*, either in the form of a tariff on imports or a direct tax, or both. So much for Radical rule. When, under Mr. Buchanan's administration, the annual expenses of the government reached $80,000,000, the country was astounded at its extravagance.

But to this must be added the State debt:

The debt dated before the war is estimated by Treasurer Battle in his reports, to be	$ 9,977,500
Amount issued since, up to 1868, under Acts of Assembly, for funding and Railroad purposes,	4,933,500
	$13,861,000
Bonds to be issued under the funding Act of August, 1868, to pay accrued interest, say	2,000,000
	$15,861,000

Our State debt, therefore, prior to the increase of it by the action of the late State Convention and the recent General Assembly, was, according to the above, $15,861,000. We find, however, existing in the minds of a number of intelligent gentlemen, who have enquired into the matter, a strong impression that there is yet an ascertained balance to be added to the above, which would make the debt of the State about $18,000,000. The late Public Treasurer, however, does not so state the case.

The late State Convention increased the amount,	$15,861,000
As follows:	
By way of exchange of bonds to different Rail Roads, it authorized the issue of	$1,580,000
Also endorsed bonds for Wil. Char. & R. R. R.	1,000,000
	$18,441,000
It also authorized the issue to the Western R. R. Co.	500,000
	$18,941,000
To this the late Legislature added: To Western N. C. R. R. on conditions,	4,000,000
To Chatham R. R.	2,000,000
To Williamston & Tarboro R. R.	300,000
Making,	$25,241,000

The State, however, is not primarily bound to pay the principal or interest on the bonds issued to Rail Roads, as above, by way of exchange for $1,580,000, nor to the Wil. Char. & Ruth. Rail Road of $1,000,000, making $2,580,000,—those Roads being bound to pay both principal and interest, and the State being only bound as security. The new Constitution requires that the Legislature shall provide for the prompt payment of the interest on the public debt, and the late General Assembly ordered the Public Treasurer to provide for its payment by loans or otherwise. The interest to be paid, 1st. of Oct. and 1st. January next, will be between $350,000 and $400,000, we apprehend. The only available means now at the command of the Public Treasurer is the dividend of $180,000 from the North Carolina Railroad—the taxes collectable under the present tax bill being required to meet ordinary current expenses.

It may be stated, in round numbers, that the State is bound to provide for the payment of the interest on bonds already issued and which will be issued before 1st. of January, 1869, to the amount of $16,281,000. The interest, therefore, on the public debt, to be provided for in 1869, will be $981,660. If the Western N. C. Railroad shall call for the $4,000,000 ordered by the General Assembly, the interest accruing, twelve months after their issue, will be $240,000 more.

The Chatham R. R. and other Companies, have claimed, and will claim, the issue of $1,650,000 more, on which they are bound to pay interest and the principal; but, if they should fail to do so, the State must provide for $279,000 more interest on those bonds.

The State debt on the 1st. day of January next will be as follows:

Already due and on interest,		$ 16,361,000
Conditional, for Western N. C. R.	4,000,000	
Contingent,	4,880,000	
		$25,241,000
Interest to be provided for:		
Accruing from 1st January next,	$ 981,660	
Conditional,	240,000	
	$1,221,660	
Contingently,	279,000	
	$1,500,660	

This is but one item of taxation. The question is, can the people of North Carolina pay it, in their present condition, and meet other obligations; first, those which are necessary to support themselves and conduct the government, and, secondly, those which an extravagant, reckless administration and General Assembly will attempt to force upon them? We unhesitatingly say they cannot.

Our correspondent, "*Bertie*," seems to have startled some persons with the boldness of his assertions and the character of his figures, but, as to the point, at which he was driving, his conclusions are inevitable, if the present carpet-bag, speculating, plundering State government continues to be drawn by the same team and to be managed by the same drivers!

"*Bertie*" affirms that the real or landed estate of the people cannot be valued at more than $30,000,000. Its cash market value, to-day, if sold, is not half that sum. The same may be said of the personal property in the State; it could not bring $40,000,000! But suppose we double them.—Suppose there is $180,000,000 of available and productive property in the State, which every one must see far exceeds the mark. The annual nett productive increase of the property of the Northern and Western States, for the last twenty-five years, is only set down at 3 per cent. If so, *what* can be a reasonable estimate of the annual increase of the property of North Carolina? After paying for the labor and expense of production for the last three years, and for what the owner may reasonably claim for his own support from the capital he has invested in lands and other property, the nett profits or increase cannot be one per cent. on the largest estimated value we have named. The General and State, County and Municipal governments cannot, therefore, claim more than the entire profit, which, by our large estimate, would be $1,800,000 annually, without making us poorer every year.

In another paper, we will show what will be the probable amount required for the people to raise in this State, in order to meet the interest on the State debt, and the expenses of the State, Municipal and County governments, under carpet-bag, scallawag and negro rule to which we invite the serious attention of our impoverished people.

THE NEW MILITIA.—"Gov." Holden has announced the appointment of eighty-nine Colonels of Militia, for the eighty-nine counties of the State, and they are assigned to the command of their respective counties. Some of them are well in the "sere and yellow leaf" age, and will cut a figure on horseback. The carpet-baggers, of course, are in strong force in the list. But more, hereafter.

"Adjutant General" Fisher calls the attention of Colonels to section 9th of a previous circular sent them, of which we are not advised. Again he says:

"If it is desired that a company of detailed militia should be organized in their respective counties, such a request, signed by five Magistrates, should be at once forwarded to the Governor for his consideration."

Then, of course, we are to have the "detailed militia," to be armed and equipped, in every county where five scallawag or negro magistrates request it. That will involve said counties in a tax, of which the magistrates will bear no part, and greatly burden our already impoverished people.—Let the people remonstrate with the authorities, where they know such an organization will produce nothing but evil. Under the late order of the Secretary of War and of Gen. Grant, it strikes us *that Gen. Miles will be bound to prohibit said organization.*

B. I. HOWZE, Esq., of Chatham, heretofore a prominent member of the Conservative party, announces his intention to take the stump for Grant and Colfax. Mr. Howze is a lawyer, and a good speaker, and we welcome him into the service of the Great Captain.

So says the Radical Yankee tax hammer. Mr. Howze has never been considered Conservative, and, if we are not greatly mistaken, was, at the last election, for Holden and the new Constitution.

Alabama negroes close their prayer meetings with a military drill.

THE REBEL-RADICAL ORGAN AND ITS FRIENDS.

This paper, we should judge, is doing gentlemen, whom it claims as friends and Radicals, great injustice. Its persistence in forcing Chief Justice Pearson into the political arena, and parading the names of his Associates on the Supreme Court Bench as party managers and presiding officers at a Radical Mass Meeting and Barbecue, has seriously damaged the former high character of the Supreme Court, and put them in a most mortifying attitude. Our personal respect for the two remaining members of the old Court, as well as our high estimate of the decisions of that venerable body, led us to hope that *they*, at least, would avoid all semblance of partizan feeling and action. We regretted much, that the Chief Justice, who, perhaps, only intended at first to exert his influence privately, should have been forced out into political discussions; and if he has been handled a little strongly, he can only blame his Radical friends and the organ of the party whose candidates he advocates.

Judges Reade, Rodman, Dick and Settle have been treated more cruelly by the leaders and organ at head-quarters. In the most imposing manner, these gentlemen have been officially announced as the presiding officers, in conjunction with two negro Justices of the Peace, of the Mass Meeting and Barbecue, on the 16th inst., in this city. The *Sentinel*, aware that three of the Judges had just been in the city, supposed that they had been consulted, of course.—We did not suppose that any one, who had any regard for the sanctity of the judicial office, would be guilty of making such an announcement, *without authority*. But what reverence have Tourgee, or other managers here, for the sanctity of the judicial office? A Judge, who would act as a Marshal on such an occasion, would do any thing else at which the public sentiment scowls. Did the Judges of the Supreme Court *authorize* the announcement? Did they *consent* to serve in such a capacity? We hope not. Let us know.

There was a meeting of the Seymour and Blair men of this county, at Louisburg, on Thursday last, which was ably addressed by Messrs. Jones Fuller and Jno. E. Thomas.

MASS MEETING IN FAYETTEVILLE.—The Democratic and Conservative District Convention, for the Third District, meets in Fayetteville, on Wednesday next, and there is to be a grand demonstration on the occasion. Our spirited Fayetteville friends know how "to do the thing up brown," and they will leave no stone unturned to make the Mass Meeting a great success. We hope that our Young Men's Club will take steps to be properly represented on the occasion. The following is an extract from a letter from a friend in Fayetteville:

"I am happy to state that the campaign progresses most favorably in this portion of the State. The old Caledonian blood of this County is being once more fully aroused; and we have good reason to believe that she will more than redeem her last vote, on the 3rd of next November. The Cumberland delegation returned home from the late Democratic Convention, with a bold confidence, and with a strong determination to do their utmost to secure the fruits of victory. Especially were they pleased with the open-hearted and generous hospitality of the people of Raleigh. And they believe that they cannot better prove their appreciation of such kindness, than by inviting to their District Convention the members of the Democratic Club of the "City of Oaks." Come one, come all! We shall be glad to see predictions prove that there will be between three and five thousand people present on the 9th."

THE RADICAL ADDRESS.—This paper, issued professedly by the members of the late Legislature, as an address to the people, is a most infamous and incendiary document. It not only abounds in lies and libel, but it is a violent exciter to, and abetter of, theft, burglary and murder with that portion of the community, who need but the slightest inducement or encouragement to crime. Who is the author of this paper? It has been attributed to two or three, and was, no doubt, the work of several, as its style indicates. After reading it, we are not willing to attribute it to any *decent* native of North Carolina; yet we are assured it is the work of one or more North Carolinians in high positions. *Let the authors be known.* No innocent man should rest under the suspicion of being its author.

WE HAVE heretofore observed that "N. Paige & Co.," (who have only been in the State a few weeks,) in their ignorance of men and matters in North Carolina, were continually, but, perhaps, unwittingly, poking their peculiar friends under the fifth rib. The last edition of the *Tax* hammer has the following prognostic of the results of Radical rule:

"A better and more radiant South will take its place—one in which husbands will not be sold away from wives and children from their mothers—but in which justice will be the new rule of the new life."

"N. Paige & Co." ought to be informed that many of the *leaders* of their party were old negro-traders, whose *business* it was to traffic in human flesh and separate families.

CHATHAM ALIVE!

FLAG AND POLE RAISING!

GREAT ENTHUSIASM FOR SEYMOUR AND BLAIR!

PITTSBORO', Aug. 31, 1868.

Messrs. Editors:—Our friends abroad may be glad to know how deep is the interest felt in Chatham county, in the great struggle for Constitutional liberty that now agitates the country. Though the boxes were made to count outrights at the late election, we shall try again, and, this time, with every assurance of success.

On Saturday, 29th, inst., our town was alive with Seymour and Blair Clubs from various portions of Chatham. It was plain that the people were fairly aroused—no gathering, for a purely political purpose, has equalled it since the war. A procession was formed, under the efficient management of Capt. W. L. London as Chief Marshal, with mounted Aids, and formed in hollow square before the Court House, to witness the raising of the United States Flag, and the bright streamer of Seymour and Blair, upon a lofty hickory placed in position the evening before. Shouts from the multitude rent the air, a peal of artillery echoed back the sound, and after sweet strains of music, the Dedicatory Address was delivered by our talented young townsman, Henry A. London, Jr. His patriotic sentiments were received with great favor and enthusiastically applauded.

The procession then took up the line of march, in the following order:

Marshal; Visiting Seymour and Blair Clubs from Egypt, Silk Hope, Baldwin's, Jones' Grove and Haywood.

Large transparency, drawn in a wagon, and inscribed with mottoes.

Pittsboro' Band.

Junior Club of Pittsboro.

Senior Seymour & Blair Club.

Speakers.

The firing of the salute continued during the moving of the procession through the principal streets, to the venerable grove of the Pittsboro Scientific Academy, the building itself being thrown open to the ladies of the vicinity, of whom a large number were in attendance.

The meeting was organized in the open air, by calling to the Chair the Rev. Lucian Burnett, and making R. C. Cotten, Secretary. With a few remarks, Capt. C. B. Denson then introduced to the large and deeply interested assemblage, an esteemed visitor, French Strange, Esq., of Fayetteville, who held the close attention of the people, through a polished and elegant address, portraying in vivid colors the vast importance of the crisis, and calling upon all to rally to the rescue.

Then followed John H. Haughton, Esq., in a withering review of Radical policy, both State and National, broken by frequent applause, and winding up with a manly declaration of our determination to free the State from the foreign yoke placed upon her. He administered a just reproof to the *late* Chief Justice Pearson, from the words of the Supreme Bench itself, paid a tribute to our noble Governor Worth, and gave golden words of counsel to the invited men present.

Although suffering from indisposition, John J. Jackson, Esq., then entertained the meeting with a speech of much vigor, giving an especial notice of the man who is afraid to be questioned or replied to, before his *white* constituents; more particularly since the recent exhibition of his powers at Washington, whereby, in an effort to abolish civilization with arms, he showed that, at least, he could *destroy its language*.

Letters of regret were then read from P. F. Duffy, of Greensboro', Hon. Wm. H. Battle, of Chapel Hill, and others.

With the smiles of the ladies, the roar of the cannon, the cheers of our sterling farmers, the gay badges and sashes, the excellent music of our young band, and the bright and animating hopes shining on every face, the whole scene was suggestive of a glorious day in November.

I desire to mention some noticeable facts. There were colored members in the procession, some of whom were attached to the fine Club from Egypt, ninety seven strong. Also in our ranks walked one of the most bitter white Radicals of the county, a man who carried nearly all his district before, but who has seen the error of his way, since the recent proceedings in Raleigh of the military appointees. I am proud to say of the town of Pittsboro', that there is not one white man in it, recreant to his race. Our citizens are quiet and orderly, and the great decorum of the day was gratifying. We are fully united, and we polled, in addition, fifty colored Conservative votes. Can any record beat that?

At night, the Junior Club paraded with transparencies, and speeches were made by Dr. J. M. Hanks, President of the Sen. Club, and other citizens, closing with a generous collation at the residence of H. H. Burke, Esq. Thus ended a great day for the cause in Chatham.

Below will be found a report of the business meeting that took place at the Court House, after the festival of the day.

At a general meeting of Seymour and Blair Clubs of Chatham, held in Pittsboro, Saturday evening, Aug. 29th, 1868, E. H. Straughan, Esq., was called to the Chair, and Wm. S. Gunter appointed Secretary. After receiving names of delegates from District Clubs, on motion, a Committee was appointed to prepare a Plan of Organization for the Central Club of the County, consisting of one from each Club, as follows:

Silk Hope, Dr. P. J. Snowden; Egypt, —— Watts, Esq.; Baldwin's, J. N. Mann; Jones' Grove, Alpheus Bynum; Haywood, J. W. Scott, and Pittsboro, Capt. C. B. Denson. The Committee retired, and, during their absence, the meeting was entertained by speakers from the various clubs.

On motion of Jos. Baldwin, all clubs now formed, or hereafter to be organized, if in time, were earnestly requested to send one delegate each, at least, to the Convention to be held at Franklinton, on the 10th. Sept. next.

The Report of the Committee, submitting a Plan of Organization for a Central Club, to be composed of 5 delegates from each District Club, and recommending the first meeting to take place at the Court House, on Tuesday, 8th. Sept., was adopted, and the following officers were selected to act until the entire organization was effected, after the formation of many new clubs now proposed:

President.—John Manning, Jr.

Vice Presidents.—Jordan Tyson, Sr., and Wm. S. Gunter.

Secretary.—Capt. C. B. Denson.

Treasurer.—T. B. Farrar.

On motion, the Secretary was directed to prepare an account of the proceedings of the day for the *Sentinel*, when the meeting adjourned. E. H. STRAUGHAN, Pres.

WM. S. GUNTER, Sec.

Why don't the Southern people behave themselves? ask the Rads; they can't expect decent treatment so long as they remain insubordinate and contumacious.

This, as Mr. Lincoln used to say, reminds us of a little story, in point:

"Mother, mother," said a hopeful urchin to his maternal parent, "make Bill behave himself; whenever I hit him on the head with the hammer, he hollers!"

That boy was a good Radical.—*Newberry Press.*

DAILY AND WEEKLY JOURNAL,
WILMINGTON, N. C.

This is the oldest Daily in the State, a leading Democratic journal located in the largest commercial city in the State, and in a large and ably filled square before the Court House, to witness the raising of the United States Flag, and the bright streamer of Seymour and Blair, upon a lofty hickory placed in position the evening before. Shouts from the multitude rent the air, a peal of artillery echoed back the sound, and after sweet strains of music, the Dedicatory Address was delivered by our talented young townsman, Henry A. London, Jr. His patriotic sentiments were received with great favor and enthusiastically applauded.

The procession then took up the line of march, in the following order:

Marshal; Visiting Seymour and Blair Clubs from Egypt, Silk Hope, Baldwin's, Jones' Grove and Haywood.

Large transparency, drawn in a wagon, and inscribed with mottoes.

Pittsboro' Band.

Junior Club of Pittsboro.

Senior Seymour & Blair Club.

Speakers.

The firing of the salute continued during the moving of the procession through the principal streets, to the venerable grove of the Pittsboro Scientific Academy, the building itself being thrown open to the ladies of the vicinity, of whom a large number were in attendance.

The meeting was organized in the open air, by calling to the Chair the Rev. Lucian Burnett, and making R. C. Cotten, Secretary. With a few remarks, Capt. C. B. Denson then introduced to the large and deeply interested assemblage, an esteemed visitor, French Strange, Esq., of Fayetteville, who held the close attention of the people, through a polished and elegant address, portraying in vivid colors the vast importance of the crisis, and calling upon all to rally to the rescue.

Then followed John H. Haughton, Esq., in a withering review of Radical policy, both State and National, broken by frequent applause, and winding up with a manly declaration of our determination to free the State from the foreign yoke placed upon her. He administered a just reproof to the *late* Chief Justice Pearson, from the words of the Supreme Bench itself, paid a tribute to our noble Governor Worth, and gave golden words of counsel to the invited men present.

Although suffering from indisposition, John J. Jackson, Esq., then entertained the meeting with a speech of much vigor, giving an especial notice of the man who is afraid to be questioned or replied to, before his *white* constituents; more particularly since the recent exhibition of his powers at Washington, whereby, in an effort to abolish civilization with arms, he showed that, at least, he could *destroy its language*.

Letters of regret were then read from P. F. Duffy, of Greensboro', Hon. Wm. H. Battle, of Chapel Hill, and others.

With the smiles of the ladies, the roar of the cannon, the cheers of our sterling farmers, the gay badges and sashes, the excellent music of our young band, and the bright and animating hopes shining on every face, the whole scene was suggestive of a glorious day in November.

I desire to mention some noticeable facts. There were colored members in the procession, some of whom were attached to the fine Club from Egypt, ninety seven strong. Also in our ranks walked one of the most bitter white Radicals of the county, a man who carried nearly all his district before, but who has seen the error of his way, since the recent proceedings in Raleigh of the military appointees. I am proud to say of the town of Pittsboro', that there is not one white man in it, recreant to his race. Our citizens are quiet and orderly, and the great decorum of the day was gratifying. We are fully united, and we polled, in addition, fifty colored Conservative votes. Can any record beat that?

At night, the Junior Club paraded with transparencies, and speeches were made by Dr. J. M. Hanks, President of the Sen. Club, and other citizens, closing with a generous collation at the residence of H. H. Burke, Esq. Thus ended a great day for the cause in Chatham.

Below will be found a report of the business meeting that took place at the Court House, after the festival of the day.

At a general meeting of Seymour and Blair Clubs of Chatham, held in Pittsboro, Saturday evening, Aug. 29th, 1868, E. H. Straughan, Esq., was called to the Chair, and Wm. S. Gunter appointed Secretary. After receiving names of delegates from District Clubs, on motion, a Committee was appointed to prepare a Plan of Organization for the Central Club of the County, consisting of one from each Club, as follows:

Silk Hope, Dr. P. J. Snowden; Egypt, —— Watts, Esq.; Baldwin's, J. N. Mann; Jones' Grove, Alpheus Bynum; Haywood, J. W. Scott, and Pittsboro, Capt. C. B. Denson. The Committee retired, and, during their absence, the meeting was entertained by speakers from the various clubs.

On motion of Jos. Baldwin, all clubs now formed, or hereafter to be organized, if in time, were earnestly requested to send one delegate each, at least, to the Convention to be held at Franklinton, on the 10th. Sept. next.

The Report of the Committee, submitting a Plan of Organization for a Central Club, to be composed of 5 delegates from each District Club, and recommending the first meeting to take place at the Court House, on Tuesday, 8th. Sept., was adopted, and the following officers were selected to act until the entire organization was effected, after the formation of many new clubs now proposed:

President.—John Manning, Jr.

Vice Presidents.—Jordan Tyson, Sr., and Wm. S. Gunter.

Secretary.—Capt. C. B. Denson.

Treasurer.—T. B. Farrar.

On motion, the Secretary was directed to prepare an account of the proceedings of the day for the *Sentinel*, when the meeting adjourned. E. H. STRAUGHAN, Pres.

WM. S. GUNTER, Sec.

Why don't the Southern people behave themselves? ask the Rads; they can't expect decent treatment so long as they remain insubordinate and contumacious.

This, as Mr. Lincoln used to say, reminds us of a little story, in point:

"Mother, mother," said a hopeful urchin to his maternal parent, "make Bill behave himself; whenever I hit him on the head with the hammer, he hollers!"

That boy was a good Radical.—*Newberry Press.*

SEYMOUR AND BLAIR CLUB.

A private meeting of the Seymour and Blair Club will be held at the Court House, on Saturday evening, at 8 o'clock.

It is desirable that all of our citizens, who sympathize with the cause, shall come up and identify themselves with the Club.

BY ORDER OF THE PRESIDENT.

BARBECUE.—There is to be a grand Mass Meeting and Barbecue, at Ellington's Mills, to morrow. It is expected that a very large crowd will be present. Col. E. G. Haywood, M. A. Bledsoe, Esq., and other gentlemen, will address the people.

THERE WILL be a Mass Meeting and Barbecue at Townsville, Granville Co., on the 13th. Able speeches are expected.

NEW ADVERTISEMENTS.—We regret that our space is inadequate to the publication, in full, of the Prospectuses of our various and excellent State Conservative and Democratic cotemporaries. We make up, to-day, a synopsis of the terms, inducements, &c., of many of them, and shall be pleased to treat them *all* in a similar manner. We call attention to the column which we have devoted to this matter.

The Excelsior Ointment: This is an invention by a lady of this city, and is recommended as a sovereign cure for the Piles and various Eruptions of the skin. We have heard its remedial powers spoken of in the very highest terms. See advertisement.

THE *Standard* informs the public that there is a Radical Association in Wilmington known as the "*Tanners*" "N. Paige & Co." are guilty of a slight upon their colored pets in dropping a part of the appellation. The Association has, heretofore, been known as the "*Black*-and-Tanners." Why this wanton slur?

THANKS to W. R. Bryan & Son, of Jonesboro, Moore Co., for a club of subscribers to the *Sentinel*.

FOR interesting matter, see first page.

"N. PAIGE & Co." profess to publish a *newspaper*. And yet they omit, from the Associated Press telegrams on yesterday, the dispatch giving the alarming account of the drilling of negroes in Georgia, and their outrages upon the white community. They are *afraid* to let the people see the truth. This is a fair specimen of Yankee-Radical honesty.

THE SEYMOUR and Blair flag, which has been hoisted in Weldon, is a present from and the handiwork of fair ladies of Petersburg.

THANKS to T. B. Tyson, Moffitt's Mills, for a Club of subscribers to the *Sentinel*.

THE ROANOKE *News* says that the corn crop in that section will, generally, be a fine one. More will be made than for many years past.

THE LATE GOV. SWAIN.—The Wilmington *Journal*, commenting upon the Resolutions relative to the death of this great and good man, adopted by "Gov." Holden, W. M. Coleman and J. F. Taylor, at a late meeting of the "Executive Board" of the University, says:

"We scarcely thought Radicals capable of such unblushing, and indeed insulting assurance as is exhibited by the passage of the above resolutions. Nothing could equal it, save the proffer of sympathy and condolence by the murderer to to the widow and orphans crying over the yet bleeding body of his victim. It is well known that not more than one month before President Swain had been ejected from the position he had held for more than thirty years, that he had literally been driven from the University of North Carolina."

Viewing the matter in the same light, we did not publish the resolutions in question, when a copy was sent us.

VERMONT.—To show that even the most sanguine of the Northern Press anticipated nothing from Vermont, in the late election, we append the following from the National *Intelligencer*, written two or three days before the State voted:

"The Jacobins cannot much astonish the people by reports of a heavy majority in Vermont, where, while there have been at times tolerable Conservative statesmen of the Republican party, there has never seemed to be enough Democrats in numbers or ability to take advantage of the situation to the hurt of Radical Destructives.

The people of Vermont may have become sympathizers to some extent with the great movement which in almost all other States is sounding the doom of Radicalism; yet it cannot be expected, with an almost unquestioned and unopposed Radical ascendancy of a generation, that much good can come out of such a Nazareth."

In the Springfield *Republican* we find this funny excuse. It beats the best joke of Artemus Ward:

"The "unpopularity" of Grant has no real existence, but it may be that an *appearance* of want of enthusiasm may be produced by the respect which the people pay to the well-known modesty of their great general."

SEYMOUR AND BLAIR!

THE WORK GOES BRAVELY ON!

At a meeting of the Seymour and Blair Club of Williams' District, in Chatham, on Aug. 29th., twelve new names were enrolled. Total number 52. The meeting was addressed by Maj. York and M. E. Cole.—There is not a white Radical in the precinct.

We hear glorious news from Pitt. Fifteen Seymour and Blair Clubs in full blast in the County, and everything working well.

There will be a grand Mass Meeting of the friends of Seymour and Blair, at Stantonsburg, on Saturday, the 12th. The Sub-Electors for Wilson will be present to address the people.

Clubs are being formed in every precinct in Craven, and hundreds are enrolling their names. Maj. Hughes, the gallant District Elector, is visiting every section of the county, and will soon be ready to visit and speak to the people in every County in the District.

A friend, writing us from Warka, Macon County, under date of Aug. 28th., says: "This has been a gala-day in our precinct. The citizens turned out *en masse* to hear Capt. Robinson, Col. Davidson and Dr. Love. We have been well repaid. When the speaking closed, in our little squad of about 90 voters, there was not *one* for Grant. Dr. Love, our Senator, goes actively into the canvass. He told us of the promises he had given to the people, in the Middle and Eastern parts of the State. We intend to make his pledges good in November. Yes, the mountains will send greeting to the Cape Fear."

The glorious Democrats and Conservatives of Newbern have determined to build a Club house, for the purpose of holding meetings and transacting other business.—They are to turn out *en masse* and join in the construction of the building. We commend this example to the consideration of our Young Men's Club. The good and true mechanics will give us cheerful assistance. Let's go to work and build a Club room.—What say the Club?

There is to be a grand Flag Presentation to the Seymour and Blair Club of Newbern, on Tuesday next. All of the Clubs of the county will be in attendance, and there is to be a procession, &c. The Flag will be presented on behalf of the ladies of Newbern, by their fair representative, Miss Mary Guion, and it will be accepted by M. D. W. Stevenson, Esq. The flag will then be raised to the top of the pole, amidst the firing of a National salute and the ring ing of bells.

A correspondent writes us that there are nine Seymour and Blair Clubs in operation in Anson, and there will be three more in a short time. "We are gaining ground every day," he says, "and the negroes are coming over. You ran McFarland up a gum-stump in regard to Maj. Whittemore's "verbal" order to report negroes for quitting the Leagues. Now can you give us any light on the *cards*, which are *secretly* distributed to some of Holden's negro magistrates, instructing *them* to report to Bureau agents all the colored men who abandon the Leagues? It is understood that such cards are in this county. Ferret it out. Col. O. H. Dockery speaks at two points, in this county, this week. He will be met by Col. Bennett. We learn that he now out-Herods Herod in his Radicalism, since that effort to take Montgomery from his District and the announcement of some half dozen other Rads as candidates."

Gov. Vance and Col. Brown addressed a large and enthusiastic audience at Hopewell, Mecklenburg county, on Saturday last. A bountiful barbecue had been prepared,—the white Conservatives occupying one table and the blacks another. Large additions, from both whites and blacks, were made to the Club.

A grand Mass Meeting and Barbecue have been arranged, to be held at Halifax, on the 15th of October. Gov. Vance, and other Speakers, will be present. A large Democratic meeting was held at Centreville, in the same county, on Saturday last, which was characterized by much enthusiasm and addressed by Messrs. Edw. Conigland, Thos. N. Hill, R. H. Smith, Jno. Tyler Branch and Wm. Kitchen. The barbecue at Gaston, on the same day, was a glorious success. The people were addressed by Gen. T. J. Person and Messrs. R. B. Peebles, Edw. Dromgoole, Thos. W. Mason and Chas. Wesson. A brass band was in attendance. A large number of whites and nine blacks joined the Club.

JUDGE PEARSON.—It is bad enough for our Judges to have to descend to electioneering among the people to secure a position of Judge of the Law of North Carolina, but after they are elected it is a sad sight to see them dabbling in party politics and using the arguments of demagogues to promote *party interests*. Such a thing was never known in this good old State until within the past year.

Judge Pearson, the Chief Justice of the Supreme Court of this State, has recently written an electioneering letter in favor of the Radical party, in which he misrepresents the Democratic Conservative party and accuses its members of being in favor of a course of action calculated to injure the country. He can find nothing in the Democratic platform, or in Mr. Seymour's or Gen. Blair's letters of acceptance to justify his accusations, and therefore we are justified in concluding that Judge Pearson wrote his letter for the mere purpose of having it used as an electioneering campaign document, to injure one party and benefit another. It is a sad sign of the degeneracy of the Judiciary.—*Char. Democrat.*

"Loyalty"—the cant of cowards.

"Equality"—the cover for wholesale theft.

"Butlerizing"—stealing spoons.

"Let us have peace"—not the prayer of a patriot, but the decree of a despot.

Radical—One who at the stake would find fault for undercooking an opponent.

Radical tolerance—If you don't believe as I do, you're a traitor.

Carpet-bagger—one whom any one can buy but nobody would own.

"Grant will remain in Galena five or six weeks."—*Telegram.* He means to stay to vote for himself, possibly, because he will need every ballot.

RESOLUTIONS OF RESPECT.

CHAPEL HILL, N. C., Aug. 31, 1868.

At a meeting of the Historical Society of the University of North Carolina, the following resolutions were adopted unanimously:

1. That by the death of the HON. DAVID LOWRY SWAIN, LL. D., the Historical Society of the University of North Carolina has lost its founder, its first and only President and its most useful member.

2. That, in addition to other causes for sorrow for his death, this Society would commemorate his love for his native State, his indefatigable zeal in collecting the memorials of its history, his minute, extensive, and most accurate knowledge of men and events connected with it, and his unfailing readiness to communicate to all inquirers his ample stores of information, which make his loss not only sorrowful but irreparable.

3. That this Society would assure the members of the family of the deceased President that it sincerely sympathizes in their deep distress.

THE TRADE OF NEW YORK WITH THE SOUTH.

A few days ago the following paragraph appeared in the Brooklyn *Union*, a Radical paper:

"We are assured, on what seems very good authority, that a meeting of the leading dry goods firms of New York was held yesterday afternoon; at which it was resolved that they would sell no more goods to merchants in the Southern States except for cash during the present season."

The New York *Journal of Commerce*, referring to to the above, says:

"It turns out now that the representation is wholly false. We have inquired personally of "the leading dry goods firms of New York," and they declare that they never heard of this meeting until this paragraph was published, and that they propose to make no change whatever in relation to their custom in the Southern States."

FROM BOSTON—DEMOCRATIC STATE CONVENTION, &C.

BOSTON, Sept. 3, M.

The resolutions adopted by the Convention demand a return to the limitations and requirements of the Constitution, denounce Congress for its usurpation, and characterize the reconstruction acts as preposterous, unconstitutional and revolutionary.

Our Midnight Dispatches.

FROM WASHINGTON.

WASHINGTON, Sept. 3, P. M.

Revenue Solicitor Binckley's affidavit says: "The deponent is informed and believes, that the said E. A. Rollins, he being then and there Commissioner of Internal Revenue, and the said Thomas Harland, he being then and there Deputy Commissioner of Internal Revenue, and the said Thomas E. Smith, he being then and there Collector of Internal Revenue, with divers other officers of the United States and other persons to the deponent unknown, did combine and conspire for the purpose of procuring said offices, and for purpose of levying blackmail upon persons engaged in the business of distilling and rectifying spirits."

No further developments here to-day. The investigation is progressing in New York.

The Albany Convention's resolutions re-affirm the National Democratic platform; demand the immediate restoration of all States to their rights in the Union; amnesty for all past political offences; franchise to be regulated by the people of the States without Federal interference, payment of public obligations in strict accordance with the terms—in gold only when gold is nominated in the Bonds, in lawful money of the country, when gold is not specified; equal taxation to every species of property, including Bonds; reduction of the standing army and navy; abolition of the Freedmen's Bureau and all political instrumentalities designed to secure *negro supremacy*; equal rights for naturalized and native citizens; and encourage the people struggling for national integrity and constitutional liberty.

FROM GEORGIA—THE LEGISLATURE—TWENTY-FIVE NEGROES OUSTED FROM THE HOUSE—A SCENE.

ATLANTA, Sept. 3, P. M.

On yesterday, the House passed a resolution to hold two sessions during the eligibility discussion. This morning, Turner (negro,) spoke and held the floor during the session. He said that he was entitled to a seat, and would not cringe and beg it. There was no parallel in the history of the world to the scene presented to-day.—Never before was a man arraigned before a Legislative body for an offence committed by God himself. He did not know, until the past three weeks, the imbecility of the Anglo Saxon race, this moment out. The question was not settled to-day, but would be handed down to the generations as long as the sun goes down. The great question is, am I a man? If so, I claim the rights of a man. Every State was reconstructed under an Act, that no discrimination should be made on account of color, race or previous condition. If the measure is carried, we will call a Convention. My people will send for carpet-baggers, scallawags, Yankees and anybody for the Legislature, except native Georgians. You may drive us out, but we will light a torch which will never be put out, and you will make us your foes, &c.

In the afternoon session, several members participated. On the vote being taken, the negroes were declared ineligible, by a vote of 80 to 23—*unseating twenty-five negroes.*

Four remain who claim to be white men. Their cases is to be investigated. Turner walked out and brushed the dust from his feet. The other negroes bowed to the Speaker and waved their hats to the white members.

UNIVERSAL LIFE INSURANCE COMPANY,

No Restrictions on Travel or Residence

OF NEW YORK.

Office, No. 60, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The Business of this Company is exclusively confined to the Insurance of First Class, healthy lives.

The Distinctive Feature

Of the STOCK system of Life Insurance, as opposed to the Mutual, is a low rate of premium, for stated sums insured, which is **immediate, sure and certain**, in lieu of a high rate of premium and *promised* dividend, which is distant, contingent and uncertain—this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance

☞ The premiums charged by the "UNIVERSAL" are nearly *one-third* lower than those charged by the Mutual Companies.

The "UNIVERSAL" desires to call the particular attention of Agents and others to the new "Return Premium Table," which has been prepared by the Actuary of the Company. It will be noticed that these Rates average less than the ordinary rates charged by Mutuals. The inducements offered by this table are equal to a reversionary dividend of one hundred per cent. of all premiums paid.

Rates to Secure $1,000 at Death, with a Return of all Premiums paid.

AGE.	Ordinary Life Rate.	Ten Payments Rate.	AGE.	Ordinary Life Rate.	Ten Payments Rate.

Example.—A man aged 30 insures his life for $1,000, and pays $3.10 per annum on the 10 payment plan, and dies after having paid five annual payments, or $215,50, his policy will be good for $1,215 50.

NON-FORFEITING CASH RATES

OF THE

ÆTNA LIFE INSURANCE COMPANY,

OF HARTFORD, CONN.

ASSETS, $10,000,000.

DIVIDEND, Fifty per Cent.

$130 to pay every 100 of Liabilities.

57,000 Members, and constantly increasing.

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.

Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be, applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a percentage of said sum, and *paid in cash*, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premiums to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase—taken as a single net premium upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur UNDER OR IN CONSEQUENCE of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance, and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or reagitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star-chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has absolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and it sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guaranties given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By-Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the ——— Club of ——— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt, may be altered, amended or changed at any public meeting of the Club by a vote of two-thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and all shall be paid by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for member-ship, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, (and the officers of the Club shall be *ex officio* officers of the Board;) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club, and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to love the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!
